Hi, let me introduce myself.

My name is Paul. Recently with my wife Suzanne, we relocated to Toodyay and bring with us a lifetime of experience within the window furnishing industry. Manufacturing, selling and installing holland blinds, vertical drapes, awnings, venetians, panel glides, curtains and tracks, roller shutters and much more. We can also maintain and service any of your existing window furnishing products.

So when you next require new window coverings, please give us the opportunity to quote on your needs.
