MULTI- LEVEL AND ABSOLUTELY DIFFERENT. Set behind a gated private courtyard, this home will have you and your friends talking! Feature gardens over multiple terraces enhance the hilltop location & views of the village. There is also a large workshop on the lower terrace. Filled with natural light with big rooms, open living areas & cathedral ceilings. Well worth a personal viewing for all those who are tired and bored with standard project homes. Totally unique two storey straw bale home in prime location. Artistic features & design.
