

LIBRARY CH@T

NEW ADDITION TO THE LIBRARY

We would like to express our sincere thanks to Museum Curator Margie and her volunteer staff for sympathetically restoring a nineteenth century ex-Museum stock display cabinet and donating it to the Library.

The Toodyay cabinet is proudly placed near the main entrance of the Library and at present displaying a variety of ANZAC and Australian War memorabilia including; background information, photographs and a nurse apron belonging to a Voluntary Aid Detachment nurse.

VAD's were established during the first world war by the Australian Red Cross and the Order of St John. Each nurse received instruction in first aid and home nursing. During the Second World War VAD's received further training and worked alongside doctors and nurses providing assistance with first aid plus comfort and support to wounded soldiers returning from battle.

Other items on display include a Royal Army Medial Corp Training Book, a sample of field dressing used in the Second World War plus a RAAF small kit pouch, Army sewing kit, salt book and tobacco tin. The tobacco tin may have been part of a comforts package that would have been provided by the First World War Australian Comforts Fund; a local women's group who

provided soldiers with tobacco plus a few other home comforts to supplement their soldier rations.

Also on display is a life size cut of Private George Edward Chitty from the 28th Australian Infantry Battalion wounded in France during the First World War.

Similar cabinets of the same era may be found at the WA museum in Fremantle housing historical artefacts.

LIBRARY FOR ALL SEASONS

We are absolutely thrilled members of the community are taking advantage of the warm, welcoming comfortable feel of the library; staying a while, resting, relaxing and regenerating. With six library computers available plus free WiFi, it is a joy to see members utilising the facilities.

Visitors may be found setting up their laptops, tablets etc. or enjoying a hot cup of chocolate or coffee and joining some of the interesting and friendly meeting groups.

The ever popular "Many Minds" and "Creative Writing" groups held on alternate Thursdays are growing in recognition and stature with increased attendance each week.

THE AMAZING MR RIBLEY

Mr Ribley, Library cat extraordinaire is celebrating his six month anniversary as an honorary member of Toodyay Library. Within this time he has gained proficiency in mouse-cat-eering, cat-aloguing and is also the purr-veyor of interesting pause and

clause found amongst the library shelves.

Many a day Mr Ribley can be found perched high on his tower midway between the fiction and non-fiction shelves observing the clientele under the ruse of cat napping. He candidly surveys the area taking on his supervisory role with a regal air of distinction and aplomb giving forth a purr of approval from passers-by as they stop to appreciate his thick luscious coat and provide him with a soft stroke or pat.

Mr Ribley has spread his paws and now prides himself as being somewhat of a social media expert and may often be sighted sitting at the front desk computer checking the Library Facebook page for glimpses of himself captured in photos of library activities.

If you have not yet made the acquaintance of the Amazing Mr Ribley, please do not delay; call in at your earliest convenience I'm sure he will find time to fit you into his busy schedule and grant an audience.

FOR PUBLIC COMMENT

PROPOSED RENEWAL OF EXTRACTIVE INDUSTRY LICENCE (GRAVEL)

LOT 3 (NO. 826) CLACKLINE TOODYAY ROAD, HODDY'S WELL

The Shire of Toodyay has received an application from Vernice Pty Ltd for an extractive industry at Lot 3 (No. 826) Clackline Toodyay Road, Hoddy's Well.

The applicant is seeking approval to renew an existing extractive industry licence. It is expected that an average of 12,000m³ of gravel is to be excavated per year. This will be conducted within a combined area (existing operations and proposed new areas) of 18.6 hectares. The anticipated duration of the extraction program is approximately 10 years.

Your views on the proposed extractive industry are encouraged and welcomed.

Submissions on the proposed development may be addressed in writing and lodged with the Chief Executive Officer, Shire of Toodyay, PO Box 96 Toodyay 6566, by 4.00pm on Tuesday 14 July 2015.

Further information on the above proposal is available by contacting the Shire's Development Services on 9574 2258.

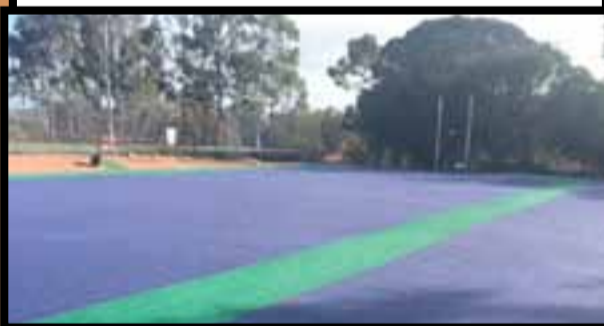

Stan Scott
CHIEF EXECUTIVE OFFICER

UPCOMING EVENTS

TOODYAY FARMERS MARKETS
Sunday 19 July

SPORT & RECREATION

NEW OUTDOOR COURTS

The upgrade of the courts is almost complete with the tiles being installed to which we are now waiting on the sporting equipment. The courts will house 2 x multi marked courts for the sports of Netball, Basketball and Tennis. The courts will be available for use from the general public as soon as they are completed in July.

SKATE PARK STAGE 2

We hope to hear the outcome for the Toodyay Skate Park stage 2 Funding from the Department of Sport and Recreation any day now. This funding will help cover the costs of the installation of 'the Bowl' which will bring a new and exciting element to the park.

KIDSPORT

Changes to the Kidsport Program now means funding can be sought directly from the Shire of Toodyay. All sporting clubs within the Shire of Toodyay can now process the Kidsport claims via the Shire, to which all invoices are to be made out to the Shire of Toodyay, instead of the Shire of Moora as previously done. For more information, contact Jo Buegge at the Toodyay Visitors Centre on 9574 2311

TOODYAY INTERNATIONAL FOOD FESTIVAL

Now celebrating it's eleventh year, the Shire of Toodyay with the support of Lotterywest are proud to present the Toodyay International Food Festival and Free Family Fun Day!

This year's festival has a huge array of international cuisine to delight the taste buds of every visitor as well as entertain the whole family with our wonderful children's entertainment and main stage acts. Don't forget to write the date down, as this year's festival is not to be missed!

SATURDAY 1 AUGUST
10AM - 3PM

This event would not be possible without the on going support from our local businesses.

Thank you to the 2015 sponsors;

- PND Automotive Electrical Service
- Toodyay Hardware & Farm
 - Bottlemart Toodyay
- Toodyay Holiday Park & Chalet
 - Luptons Liquid Waste
- Toodyay Chemmart Pharmacy

It's not too late to get on board as a sponsor and be part of this spectacular event!

For further information please contact the Event Coordinator at the Shire of Toodyay, Debra Andrijich on (08) 9574 4318 or the Toodyay Visitors Centre on (08) 9574 2435

Bedstraw is a rare plant in UK and US but a real pest in Australia

Weed of the month
Jacqueline Lucas

THE THREE-HORNED bedstraw (*Galium tricornutum*) had a recent Department of Agriculture and Food fact sheet published about it.

It is a threat to both bushland and agriculture in WA and its presence needs to be reported to the department at the Pest and Diseases Information Service.

Three-horned bedstraw is a member of the coffee family of plants and is also known as rough corn bedstraw, rough fruit bedstraw and corn cleavers.

Parts of the UK and the US have declared it to be a rare plant and they are working to prevent it from being wiped out.

However, it is widespread across most of Europe, North Africa and South Asia, as well as in Australia, Canary Islands, Mauritius, and parts of South and North America.

The department is concerned because it is a major crop weed in south-east Australia.

Conditions are suitable in south-west WA for its establishment and, according to Florabase, it has already been reported in the local government areas of Boddington, Cranbrook, Merredin and Plantagenet.

Three-horned bedstraw is a competitive climbing plant that forms dense masses of vegetation in crops, wasteland and along fence-lines.

There are more control options when it is growing in cereal crops than when it is growing in legumes, pulses or canola.

The seed contaminates canola seed and the small hooked stems on the seed make it difficult to remove when using conventional seed cleaning equipment.

Three-horned bedstraw plants have weak branched stems up to 1.5m long.

These stems are straggly, scrambling or climbing and they have a sticky sensation caused by the numerous hooked prickles on the stem and leaves.

They are square in cross section and are usually hollow.

There are tiny backward-pointed hooked spines around all edges of the stem.

The leaves form in circular patterns around the stems in groups of six to eight.

They have no stalk, and are also covered in hairs and backward-facing prickles.

The three-horned bedstraw has very small white flowers (about 2mm across) which are found in groups of three, on little stalks which are also covered in backward-pointing prickles.

The seeds of the three-horned bedstraw are about the same size as the canola seed.

Three-horned bedstraw is an annual plant which germinates in late autumn to early spring and its seed is spread by wind, water, plant parts or people and animals.

Of great concern in WA is how easily it can be spread by grain movement and agricultural machinery such as harvesters.

The seed of the three-horned bedstraw can survive three to five years in the soil, but even longer in non-wetting soils such as those characteristic in WA.

While it prefers heavier alkaline soils, its world distribution suggests it's very flexible in its growth requirements.

The department wants the public to keep a lookout for this potentially economically damaging weed.

Control methods can be found at agric.wa.gov.au/herbicides/three-horned-bedstraw-control, but it is very important to report its presence before controlling it.

Take control of anxiety before it gets a total grip on you

Warrior's Wellbeing

The Regional Men's Health Initiative
Tim and the Team

ANXIETY is an umbrella term for feelings of fear, nervousness, apprehensiveness or worry such as negative thoughts and seeing potential threats where they don't exist.

Everybody gets anxious at times and some anxiety actually helps us to function well but anxiety can become a problem when:

- it happens too often;
- it goes on for a long time, or
- it stops us from doing things that we want to do.

Symptoms can be psychological (feeling frequently worried, tired, irritable and weepy with difficulty concentrating) and/or physical (including rapid breathing, rising blood pressure and pounding heart, a sense of restlessness or feeling on edge, muscle tension, sleep disturbance and nausea/sickness).

There is no single cause for anxiety but several factors may contribute to it.

Brain chemistry – most strongly implicated here are imbalances of serotonin and dopamine that regulate thought and feeling – contributes to feeling depressed and anxious.

Hereditry – anxiety disorders run in families.

Children are at higher risk if parents have an anxiety disorder.

Life experience – any distressing or traumatic experience may cause anxiety.

Exhaustion and certain medications can also be triggers.

Drug use – stimulant drugs such as amphetamines and caffeine can trigger anxiety.

Prolonged amphetamine use can cause feelings of panic and anxiety that last for

years after the drug is stopped.

Some tips that may help you deal with your anxiety include the following.

Self-awareness – identify the symptoms early.

Ask yourself “what is making me feel this way?”

You may be able to change the, anxiety-making circumstances but, if not, you can deal with it better if you acknowledge it.

Interpret it positively – why are you anxious about a situation?

A little anxiety is a good thing, too much is damaging, but too little can mean you may not perform to your best ability.

Diet – the gut flora can get out of balance so try using more probiotics and omega3 foods.

Research has shown maintaining a balanced diet can reduce anxiety symptoms.

Exercise boosts levels of vital brain chemicals like serotonin, dopamine and norepinephrine that may reduce stress and anxiety.

Relaxation and meditation programs – can help reduce stress, anxiety and depression.

You can find many resources for these online e.g. progressive muscle relaxation.

Therapy – there are some good programs that are offered by psychologists/ counsellors that help to re-program those unhelpful and negative ways of thinking that underpin anxiety.

Situations, or life events, can come from many places including relationship issues, financial burden, physical health, trauma, or just dealing with difficult times.

As these situations develop we need to take steps to reduce anxiety for ourselves and for those close to us.

Remember, before it all gets too much, talk to a mate.

Laid-back Vlad shares Angel's charm

Toodyay Naturalists' Club Michalie Ruoss

JUNE kicked off with a campout on the long weekend at Talbot Brook near York.

Members spent Saturday exploring the property of Rob and Eggy Boggs setting up camera traps and documenting the flora.

Unfortunately no animals were sighted on the cameras but a cheeky brushtail possum joined us for dinner.

A tour of various Talbot Brook Land Management Association revegetation sites was conducted on Sunday.

Sites included an old gravel pit that has been seeded with Eucalypts, 100ha of private property that has been fenced and revegetated to combat the effects of salinity and acid sulphate soils and a creek line that has been restored with the planting of 50,000 seedlings over five years and has considerably improved the water quality.

Our June meeting was just as exciting with a presentation by Amy Griffiths (a.k.a. Amy Wild) on her great passion – reptiles.

Amy shared life experiences that led her to develop a great interest in and knowledge of reptiles – from pictures of reptiles she has seen in the wild to a video of her experience as a volunteer catching freshwater crocodiles in the Kimberley for research.

The evening closed with Amy showing two of her snakes for members to touch and hold – Angel a gregarious Black Headed Python and Vladimir a more laid back Woma Python.

Amy has her own wildlife presentation series on *youtube* (search for Amy Wild) and also runs snake-handling courses.

Our next meeting is at 7pm on July 18 at the CWA hall.

This month will be a video presentation of Simon Cherriman's documentary 'Where Do Eagles Dare' about his love of Wedge-tailed eagles and his radio tracking study.

For more information please phone club president Michalie 0418 952 707.

Wildcare Helpline 24 hours, all animals 9474 9055;

Relocations of reptiles – Gary Smith 9574 2636 or 0424 195 852.

PROBUS

If you are an active retiree or no longer working full time you may like to join our social club. Probus can offer a great avenue of interests and new horizons.

Come along and join in and enjoy being part of this newly formed club in Toodyay as we present an amazing array of Guest Speakers who are invited to share their stories and adventures at our club meetings and you will love going on the day tours which are organised once a month to places of interest around the state.

PROBUS is an association for active retirees who join together to expand their interests and to enjoy the fellowship of new friends. Probus Clubs provide the opportunity for retired people to meet regularly, without demands or obligations and at minimum cost, provide new interests and are non-political, non-sectarian and non-fundraising.

Enquiries contact John Smart 9574 2339 or Jan Ackroyd 9574 5315

Probus Meetings are held every second Tuesday of the month at 7pm
Toodyay Community Resource Centre, 79 Stirling Terrace Toodyay

Green Army gets set to march

Toodyay Friends of the River
Greg Warburton, Project Officer

WE ARE AT last seeing some flow in the river thanks to long awaited rains.

The rain also augurs well for a successful tree-planting season.

We are delighted to offer the Millard Pool tree-planting site for Toodyay's Holiday Inclusive Program with tree planting and other environmental activities on Monday July 13.

A big thank you to supporters Vernice Pty Ltd for ripping the site for no cost, while Bethan and the Seed Orchard group provided seedlings at short notice.

Members Andrew Carr and Vicki Warburton were busy collecting litter before recent Tidy Town judging.

Project work at Lloyd Reserve was enhanced by Vicki's raking of the Bilya Track to the bird hide.

The Federal Government's much-anticipated Green Army program has a team operating out of Northam and we look forward to a working partnership.

Team sponsor Wheatbelt Natural Resource Management is keen to use the opportunity to follow up Bridal Creeper and Tamarisk control work in previously identified project sites, including nearly eight kilometres of the Avon River riparian zone in Toodyay.

Last month's working bee at Lloyd Reserve was washed out by heavy rain but we couldn't complain.

Our next working bee will be on Sunday July 19. Meet at Lloyd Reserve at 9am to help continue our clean-up and identify plants for revegetation.

Inquiries to Robyn Taylor on 9574 2578 or Greg on 9574 5445.

Baa baa bleating frog likes granite

Python Watch
Desraé Clarke

THE BLEATING or Granite Frog. Interestingly many of the frogs found around our shire have a common name relating to its call as was the Humming Frog in the June edition.

The Bleating Frog (*Crania pseudinsignifera*) has a 'baa, baa, baa' call, thus its name.

It is also known as the Granite Frog with its general association with granitic areas.

The Bleating Frog 25mm SVL (snout vent

length) female is slightly larger than the male. Both are very small creatures.

However, although small in size, it has an audible call from within its covered area.

Mating takes place in the winter months with eggs laid singly in damp, to water-logged soil beneath cover.

The eggs take up to 130 days to undergo metamorphosis which is the transformation from the larva to the adult which is the egg to the frog.

The Bleating Frog's body colour varies from grey, brown or black and there may be a dark triangular patch between the eyes.

There may be numerous tubercles (a small circular protuberance or spine on the skin or scales) and ridges on the upper areas of the body.

Much study over many years has been done on this species and also the Squelching Frog (*Crania insignifera*) as the two species are known to hybridise.

The Bleating Frog phot is kindly provided by Brian Bush et al publication, *Reptiles and Frogs of the Perth Region*.

card or a health care card.

The next big item was moving the Honcho. How does 18 years worth of collecting get moved?

No one gathers that much gear, but then we fellas always know it's good stuff and we might need it one day.

Sad to say our dear Honcho while lifting a heavy load, made an entrance to his new home by dropping his daks in the street.

Not a pretty sight.

Captain Crash came to the rescue with the gift of a brand new set of braces.

Our Committee has just signed a preliminary contract to build of a new Men's Shed in Toodyay – another step towards a home of our own.

Sadly on the same day we received a letter from the Wheatbelt Development Commission that we were unsuccessful in our grant application.

It seems we have to start all over again.

Recently some of our members have had the misfortune of a fall, something as younger men we never thought about.

With age, falls can cause bad breaks, stretched muscles and damaged pride when you find you are having difficulty getting back up.

Seek advice from your local GP or Department of Health, about the right way to deal with a fall and how to get up without damage.

For more information about the Toodyay Men's Shed, please contact Fred on 9574 5795.

A chat, a cuppa and somewhere to mingle with your fellow man, that's a Men's Shed.

Heritage hens in all-green garden

Toodyay Garden Club
Peggy Sapwell

GARY and Mark were the perfect hosts who provided a scrumptious morning tea on the veranda of their amazing home and gave a brief talk on the history of their 20-acre property which is watered only from a dam and tanks.

They have planted Melaleucas, Banksias and Hakeas which thrive on the gravelly soil which naturally retains water.

They have endeavoured to maintain a chemical-free environment including a waste water system watering their 'wicking' beds of vegetables.

Mark then showed us the citrus orchard including various finger limes. A few are still in a trial period and some are from seeds of a previous crop.

Most are thriving but may need protection from the elements and also from fungal diseases.

We also admired some beautiful heritage chooks inherited from a neighbour.

They include Sussex, Orpingtons and Rhode Islands and live in their own luxury gardens with plants, food, water and shelter always on hand.

There was a turkey family too that will have to be fenced in to protect them from foxes.

The July visit is to York's Gala Day on Wednesday July 1.

For more information, or to go on the bus, call Peggy Sapwell on 9574 4534.

Our own Gala Day will be on Saturday August 8.

There will be lots to see and do – plants and other goodies for sale, a Devonshire Tea, children's' activities, raffles and more.

Do you or someone you know have a problem with drugs or alcohol

Secret men's business at the Shed

Toodyay Men's Shed
The Scribbler

THE SCRIBBLER strikes again

We breakfasted at Captain Crash's place again and with a great turnout.

Strangely after we had eaten well we were whipped out and put to work.

Yes, it's that time of the year again when we all need firewood.

The Captain brought out his giant saw and hydraulic block splitter and away we went.

When time was called, the fellas wanted to continue, as they all agreed that the block splitter was just great.

Speaking of firewood, the Shed had a wood raffle in June outside the IGA store.

Kim from Coondle won the trailer of wood, much needed, and Lyn from Lovers Lane grabbed the lovely wheeled planter pot which was second prize.

Congratulations ladies.

We plan more raffles so there will be more chances to win a load.

In accordance with our continued men's health program we had a visit from Shelley of Below the Belt Health.

What a happy young lady. Her presentation to the fellas at the shed kept us all laughing as well as informing us of problems of prostate and related items.

Pelvic floor muscle – never heard of it, but it seems we all have one and it's important.

To help out the community we have invited the Australian Hearing Bus to return to Toodyay in August.

This will be parked outside the IGA and is free to anyone who has a pension card, DVA

ANNUAL GENERAL MEETINGS

St John Ambulance Toodyay & Districts Sub Centre Annual General Meeting Tuesday 28 July 2015 @ 6.30 pm. Rear 120 Stirling Tee (behind Vinnies Op Shop and Toodyay Hair Studio).

The Annual general Meeting of the Bejoording Volunteer Bush Fire Brigade will be held at the Fire Shed, Bejoording Road on Tuesday 21st July at 6.00pm. All welcome. Contact Secretary Barry Grey 9574 2149 with any enquiries

THANK YOU

A BIG thank you to Deb & the girls from the Toodyay Club for all your support with the Great Australian Shave. Cheers
 Mick Rogers

We Brian and Keiko Allen and family, who recently lost their son, Mitchell, in tragic circumstances would like to thank the people of the communities of Morangup, Gidgegannup and Toodyay for their support and their thoughts. The sharing of our grief by sending cards and flowers has completely overwhelmed us, these acts of kindness have given us the strength to carry on. There are many people and organisations to whom we owe our thanks, the list is long, so thanks again to all, and please drive safe.
 Brian and Keiko

IN MEMORIAM

In loving memory of Julie Wessley who died 2/6/2015 at Northam Hospital. Julie leaves behind her husband Yani and daughters, Celeste and Kate. Rest in peace my darling.

HEALTH & HEALING

NEW YOGA CLASS
 I want to start a new yoga class, in addition to my Friday class, on a Wednesday afternoon, but what time? 2pm, 3pm or 4pm? Starting Term 3. Any suggestions? Sally 9574 4184

WANTED

VOLUNTEERS
 The *Toodyay Herald*, our local newspaper is looking for volunteers to assist with the production of the newspaper. This would be an ideal way of 'giving back to the community' for anyone from the printing/publishing industry with expertise in page layout. Experience in InDesign and Photoshop would be an extra bonus. The newspaper is a not-for-profit Association, most participants donate their time on a voluntary basis. Phone: 9574 2106 for further information.

Transwa's AvonLink train

Connecting the Avon Valley to the city

Ask about our 50% concession fares for Seniors, WA Pensioners and Students

Relax and take in the beautiful scenery of the Avon Valley region when travelling on Transwa's comfortable AvonLink service, inclusive of large windows, foot rests, power-points and free WiFi.

Expansion of AvonLink services

Transwa operates 14 return services per week, including a Saturday service. Services departing Northam and Toodyay arrive at Midland Station and connect with suburban Transperth services.

Transwa SmartCommuter Card

Frequent AvonLink travellers can take advantage of the Transwa SmartCommuter Card and save 35% on standard fares*. The membership card makes frequent travel on Transwa services a more affordable and convenient customer experience. Application forms are available from Transwa Booking Centres (Northam and Midland Stations and East Perth Terminal), from the Toodyay and Northam Visitor Centres or at www.transwa.wa.gov.au. For more information telephone 1300 662 205.

*conditions apply

Mortlock netball players eye their sports Holy Grail

Mortlock Netball Association

PLAYERS FROM the Mortlock Netball Association had the opportunity to get up close and personal with netball's ultimate prize - the Netball World Cup - when it was displayed at the Opening Ceremony of Netball WA's 'Smarter Than Smoking' Association Championships on Saturday May 30.

With the Netball World Cup in Sydney in August 2015 (www.nwc2015.com.au) the Trophy Tour is a showcase of the sport's prize and a celebration of the event.

The tour plans to cover more than 25,000km in four months, giving more than 40,000 netballers the opportunity to get up close to netball's most prestigious prize.

As well as having their photo taken with the trophy local netballers had the chance to meet the official Netball World Cup 2015 mascot 'Nettie'. They could also send a postcard message to the Diamonds, enjoy the Trophy Tour playlist and also had the opportunity to take part in a range of activities and giveaways.

Kath Tetley, of Marketing, Media, Community and Legacy, says that the Trophy Tour is all about community and a critical part

of the Netball World Cup fan experience as the event draws nearer.

"We have been overwhelmed by the passionate support we have received from netballers, netball friends and community when we arrive with the Netball World Cup Trophy Tour.

"The Trophy Tour is all about our netball family.

"We have been invited to netball clubs and associations all over Australia so we wish we had more hours in the day, or perhaps, a teleporter could help us see everyone before our event arrives.

"Our netball family is huge and our role is to give as many netballers as possible the chance to experience the Trophy Tour."

The Netball World Cup is returning to Australian shores for the first time in 24 years, and will be held in Sydney with the Opening Day on Friday August 7, with competition for 10 consecutive days through to the Gold Medal match which will take place at Allphones Arena on Sunday August 16.

Featuring 192 of the world's best netballers taking to the court for 64 Netball World Cup matches, this will be an international event not to be missed.

Farewell to long-time members Mel and Angela

Toodyay Tennis Club

THE TOODYAY Tennis Club wood raffle on June 13 and 14 was a clear winner for two local residents.

First Prize - the load of wood, was won by Bruce with green ticket AO5. Second Prize - the money tree, was won by Sue with green ticket F76.

The tennis club would like to thank everyone who supported the raffle.

Special thanks to Lotterywest for supplying the scratchies for the money tree and David Dow for the load of wood.

Our next wood raffle will be held on the weekend of July 17-18 another chance to win.

Farewell to Angela and Mel Fox who were both long time members of the club.

Mel was captain for a lengthy period and Angela was our most amazing social organiser.

Mel's player skills and affable nature along with Angela's vibrancy and enthusiasm for turning occasions into something special, will be sorely missed.

A new life in Queensland has called them and they are now living a different dream just inland from the Gold Coast closer to their daughter Katie. No doubt another club will be the beneficiary of the presence of these two wonderful people.

All at the club wish them all the very best for the future. Work-in-progress - the new surface has been laid on the public courts, Fiennes Street.

When work has been completed it will

reopened to the public enabling tennis, netball and basketball to be played on the multipurpose surface.

At the time of writing the shire could give no actual re-opening date of this facility.

However, if the new surface is anything to go by it will be worth the wait.

Medals for Charlotte, Chloe and Madison

Toodyay Irish Dancing Allison Johnson

JUNE WAS a very busy month for the dancers.

There was a competition in Perth late last month where Chloe Buckingham and Charlotte Hunter competed.

Chloe did very well after returning from injury coming home with one first place, two second places and a sixth-place medal.

Charlotte also did very well dancing up into the older age group coming home with a second and a sixth.

Madison Veuve and Charlotte Hunter represented the group at the AVAS Eisteddfod in Northam also held late in June.

The girls did a fantastic job dancing a duet in the under-10 age group and they looked wonderful in their new costumes.

Our dancers are now working towards the Toodyay show being held in October and the competition dancers are working hard towards the coming prestigious state championships being held in August.

Photo: Charlotte and Madison at the AVAS Eisteddfod.

Improved course attracts golfers

Toodyay Golf Club Kaye Rewell, Secretary

GOLFERS come along and see our improved course.

Men play on Sundays at 12 noon and ladies play on Mondays at 8.30am.

New members welcome, no handicap necessary.

We are offering half-price membership for the remainder of this season.

We also have scroungers on Thursdays at 2pm.

Social golfers are welcome to come along on this day.

If you wish to learn, although we don't have a regular coach, there will always be someone who can help you and we have golf clubs to loan.

We would love to see you. Come along for exercise, fellowship and to see the views.

Avon Valley Shotokan Karate wins gold, silver and bronze at Championships

Avon Valley Shotokan Karate Club
Nyaree Lawler

WE ARE now the proud owners of a defibrillator, thanks to a donation from the Sofoulis family.

Our members range in age from four to 60 plus years and while we hope that we never have to use the defibrillator, you just never know when something might happen.

It's reassuring to know we now have the tools to assist someone in need and potentially save their life.

Perth Open Championships

The Perth Open Championships in May was a very successful tournament for the club.

Shaun Lawler won gold in open kata, Ryan Prater won silver in the novice kata and Daniel Lawler won silver for open kumite and bronze for open kata.

Tim and Ryan fought hard in their kumite as well.

However, the real feel-good moment was when Shaun, Ryan and Daniel won silver in the under 15s team kata after only two weeks' practice.

Team kata is not about doing your best kata, it's about working as a team to do the kata the same way as the other team members.

That means moving at the same time,

having the same stances, same arm heights and angles, feet pointing in the same direction and feet being the same distance apart, etc..

In order to achieve this, each team member needs to be aware of where they are and what they are doing, as well being aware of what the other team members are doing.

It's not an easy task for three boys aged 9, 10 and 11 years but they were committed and focused and it was a well-deserved medal.

We also had success and fun at the Margaret River Tournament.

Luke won his kumite, Chantell came second in her kumite, Hannah was second in her kata and Sensei Russell placed second in the veteran's kata.

George, James and Aaron put in a good effort in their divisions too.

It was also a good excuse to enjoy a long weekend in Margaret River, with good weather.

Belts and certificates will be presented on Friday July 3 before the club challenge.

So it will be all hands on deck with help needed in the kitchen and with scoring, marshalling, setting up and packing away.

Next club meeting is on Sunday July 26 at 10am at the Avonbrook Winery.

Come along and support the club so we can provide a variety of experiences for our students.

All classes are held during school term only. If you would like to keep up-to-date with all that is going on at the club.

Email Helen at helenbain@optusnet.com.au and ask her to link you into the Avon Valley Shotokan facebook site.

Above: Shaun Lawler won gold, Ryan Prater won silver and Daniel Lawler won bronze in the Perth Open Championships. Left: the Margaret River team.

Wendy and Darryl Sofoulis presenting a defibrillator to the club

Gala day hosts 14 teams

Toodyay Bowling Club

THE LADIES of Toodyay Bowling Club held their Gala day on May 2 and, for our members, it was all hands on deck catering for 14 visiting teams from metropolitan and country clubs.

This event attracts 56 players to Toodyay and, from the positive feedback, everyone had a good time and enjoyed good food and fellowship. Thanks to all of us.

The day was won by Marie Tate's team from Mundaring.

One of her players was a former Toodyay player, Adele Bell.

The runner, up also from Mundaring, was Maureen Chitty's team.

Both teams won all three games.

This event was generously sponsored by Bendigo Community Bank, Purslowe Tinetti Funerals, Toodyay Butcher, Makit Hardware, Victoria Hotel, Toodyay Hairdressers, Toodyay Pharmacy, Richards Christmas 360, Coorinja Winery, IGA Toodyay, Freemasons Hotel Toodyay, Sports Power Northam, Toodyay Club Inc, Toodyay Emporium, Monet Soaps & Gifts, Lotteries West and Toodyay Bottlemart. The Toodyay Bowling Club sincerely thanks all these generous sponsors.

Winter Bowls will be on until September 10. Be at the club at 12.30pm for 1pm start.

For Saturday afternoon bowls be at the club at 1.30pm for 2pm start. For enquiries call Lorraine on 0419736936..
