

# Gonneville Project Update

## A Milestone for Bindoon

The Chalice community team were thrilled to attend the recent grand opening of the Bindoon Mountain Bike and Adventure Park.

Congratulations to the teams involved and the Shire of Chittering on the completion of this milestone project. It has been wonderful to see community, government and private organisations come together to support this positive, long term addition to the region.

Chalice was proud to support the development of the Park through our Community Investment Program and we have been eagerly waiting to see the park open to the public.

For more on the Bindoon Mountain Bike Park visit the Shire website at:

[www.chittering.wa.gov.au/news](http://www.chittering.wa.gov.au/news)

## Local Voices Community Survey - Closed

**The second survey in our Local Voices community survey program is now closed.**

Thank you to everyone who participated in the 'pulse' survey. Your responses will provide deeper insights into community feedback and inform decision making as we consider a potential future mine at the Gonneville Project.

The data is with Voconiq for analysis and results are expected over the coming months. The results will be published by Voconiq on their website.

Read more about the program and register to participate in future surveys via:

[www.voconiqlocalvoices.com/chalice](http://www.voconiqlocalvoices.com/chalice) or scan the QR code with your phone camera.

## The Gonneville Project Has a New Website

**Visit for Project updates, community news and initiatives and the latest community contact information.**

Chalice recently created a new Gonneville Project website to make it easier for community members to find the information they want about the Gonneville Project.

Head to the new website to find:

- » Project activity updates
- » State and Commonwealth environmental approvals processes information
- » Face-to-face community information session times
- » Information Sheets and FAQs
- » The Chalice Community Investment Program
- » Community Newsletters, and
- » Contact details to submit feedback, ask questions or speak to our team.

### Visit our new Project website

The new website can be found at: [www.gonnevilleproject.com.au](http://www.gonnevilleproject.com.au) or scan the QR code with your phone camera.

We understand the importance of transparency and collaboration, and we want to keep you informed and involved as the Project progresses.

As Chalice has recently commenced government environmental approvals processes with the State and Commonwealth, we will be hosting **community information sessions** at various stages to share more information about the proposed mine development and answer questions.

To find out more about the times, dates and location for current community information sessions, visit the 'Contact Us' page of the new Gonneville Project website.

Visit [www.gonnevilleproject.com.au/contact](http://www.gonnevilleproject.com.au/contact) or scan the QR code with your phone camera.

Bookmark this page and check back regularly to find out about new opportunities to speak with Chalice staff and learn about the Project.
